

## **F2FL Partners With Freedom Calls To Bring Military Families Together**

*Face to Face Live has partnered with the Freedom Calls Foundation in order to connect soldiers in Iraq with their families back here in the United States via HD video conferencing. Face to Face Live would like to thank the John McCain District Office of Phoenix as well as DHL International© for their help in making this partnership happen.*

Scottsdale, AZ ([PRWEB](#)) September 10, 2009 -- The Freedom Calls Foundation is a non-profit organization that seeks to connect soldiers in both Iraq and Afghanistan with their families via state-of-the-art technology, at no cost to the military families. As their website states, "One Army General recently observed that [Freedom Calls Foundation represents the single greatest boost in morale for the troops in the last 25 years."

"The Freedom Calls Foundation provides an immeasurable service to our men and women serving overseas," said Al Smith, CEO of Face to Face Live. "By leveraging our HD Videoconferencing systems, these incredible individuals have the opportunity now to 'Be Present' for life's great moments, like the birth of their baby or even to wed their spouse."

Face to Face Live offers Managed Videoconference Services on a monthly fee basis. No capital outlay required. The development of a new desktop videoconferencing system in a compact design and will provide affordability and adaptability to the home or business office for companies large and small.

Face to Face Live was founded on the idea of offering affordable video conferencing and eliminating the misconception that only Fortune 500 companies can afford high definition Face to Face communication.
